1 – Practical information

The main goal of this guide, put together by the Gâtinais Sud Tourist Office, is to help people with disabilities in their daily life and facilitate their tourist discoveries. So they can freely enjoy their stay in our territory.

Legend

Tourism & Handicap Label

Accessibility for people with **reduced mobility**

Accommodation for **Visually impaired** persons

Sanitary facilities adapted to people with **reduced mobility**

Parking spaces for people with **reduced mobility**

Accommodation for the **hearing impaired**

Accommodation for the **mentally disabled**

Arrangement of fishing dock for people with **reduced mobility**

WIFI free

Tactile strips

tactile pavings are used to identify the pedestrian crossings for visually impaired persons. They are easily recognisable from the pavement thanks to a dented and studded coating.

Toilets: accessible public toilet for people with disabilities at **Sainte-Geneviève-des-Bois** nautical stop (open from Monday to Saturday from May 1st to September 30th).

2 – Information on the Gâtinais Sud Tourist Office

Are available on request from the Tourist Information Desk's staff members:

- Braille transcription in Bellegarde, in Châtillon-Coligny and in Lorris.
- A file in enlarged characters about the Communauté de Communes (association of municipalities).
- A file in enlarged characters about the Loiret department.
- Simplified French Travel Guide
- For hearing-impaired visitors, a magnetic loop receiver and amplifier is available.
- An adapted paper tour for people with reduced mobility, a comic book tour and a tour in simplified French.
- iPhone (a damage and loss refundable deposit is required to rent the iPhones) for a complete immersion at the crossroads of the Resistance in the Orléans forest, massif de Lorris.
-

The exhibition rooms of Lorris are accessible by elevator.
